#### **NEW EVENTS!**

You will note that I have added some new events into the calendar.

The invitation to Happisburgh Coast Watch Station which operates from Cart Gap, Happisburgh to do a few SES for them during the summer is still in force. I don't think anyone has so far used this location.

Open days for Gunton Saw Mill are 22nd April, 13th May, 27th May, 24th June, 22nd July, 26th Aug and 23rd September.

The Group has an open invitation to operate radio in the Park on any of these days.
